# Premium Clad 5-Ply Stainless Steel Cookware

## Features & Benefits

Invisacookware is designed for use on all cooktops.

The unique, bonded 5 layer construction provides efficient, even heat distribution with no hot spots for consistent results every time.

Welded cast stainless steel handles are ergonomically designed for comfort and won't loosen up over time.

Premium Clad is oven safe up to 500°F (260°C).

See through lids are made of heat-tempered, oven safe glass. Cast stainless steel knobs feature a steam release vent.
